- + additional expanders on the back for free movement
- + double collar jacket (for formal and combat use)
- + ergonomic sleeves (easy to roll up, width can be adjusted)
- + special margins on the chest and sleeves for insignia

Pants

- + lower adjustable cuffs allow quickly fix the trouser leg on the boot or on the leg
- + trouser legs have pockets for kneepads with Velcro fasteners
- + zippered sanitary area

**Multifunctionality
and comfort**

Thank you so much for the uniform, the size fits perfectly. Thank you on behalf of all women for taking care of us. (Maryna)

Thank you for the quality uniform. When you wear it, you feel like a woman even being in the Armed Forces. It is so comfortable and beautiful. You're doing a great job. (Svitlana)

Just got my uniform! It's unreal! It fits me perfectly, as if it was made according to my parameters. Thank you with all of my heart! You are incredible. (Yuliia)

Finally I got home and tried on the uniform. I'm thrilled, the shape is impeccable. Sits perfectly on my figure. I'm so happy! Thank you for making us feminine. You have no idea how amazing it is to wear a female uniform. By the way, the pants are very comfortable; the rise is cool, deep, not like in the men's uniform. (Olha)

The first thing that struck me was that the fabric is so cool, the body does not sweat. And it fits perfectly! All movements are free; either I need to run or to crawl. I'm in love. (Anna).

I'm so grateful for the uniform, it fits perfectly, and even if there's no belt, it stays on. Quality fabric. Big difference from what I had before. The shape is light and pleasant. It's the first time I feel like I don't want to take off my uniform. And I already know how I will use the handbag:).

Another nice thing is that if you wear something under the uniform or suddenly gain weight, everything can be easily adjusted with Velcro. (Oksana)
